Dear Admiral Turner:-

It was delightful to see you again and I enjoyed meeting Judge Webster.

It was very thoughtful of you to include me at the reception and indeed I must congratulate you on the way you presented the problems of the C.I.A.!

With the many people at the reception, it was impossible to visit further but maybe I will have that opportunity when I am "babysitting" at "The Lean".

Again, I want to appreciate your thoughtful invitation

Sincerely

Frank Carlucci
